

VIRGINIA HIGHLANDS AIRPORT MONTHLY NEWSLETTER

March 2016

Spring Has Officially Sprung

How would you like to earn a \$100 fuel certificate?

T-HANGAR AVAILABILITY

Group III \$182.00/ month

Group IV \$231.00/ month

Group V \$255.00/ month

SAFETY REMINDER

The crossing of runways and taxiways will be permitted only to those persons charged with the express responsibility to manage or maintain the airport and aircraft service vehicles (e.g., tugs). All other vehicular traffic must use perimeter roads.

When everything seems to be going against you, remember that the airplane takes off against the wind, not with it.

- Henry Ford

The Virginia Highlands Airport Authority is running a referral campaign for current tenants. As a T-hangar lessee, for each successful referral of a new T-hangar lessee to Virginia Highlands Airport you will be awarded a \$100 fuel certificate.

Everybody loves **FREE** fuel so take advantage of this wonderful opportunity and think about your fellow pilots out there who are in need of a T-hangar? This is also a good time to encourage others based at surrounding airports to come check out what is available at Virginia Highlands Airport.

If you have any questions about the campaign or T-hangar availability, please do not hesitate to contact the Administrative Office at 276-628-2909 or vji46@embarqmail.com.

Project Update:

It is exciting to see the beginning phases of the Runway Extension get underway. A contract has been awarded for the relocation of Rt.611. Work is anticipated to begin within the next six weeks and be completed around November 2016.0 There will also be a clearing and grubbing project that is due to start in the same area. Please continue to check the monthly newsletter for updates on this project.
